## Lions Clubs International

Since 1917, Lions clubs have offered people the opportunity to give something back to their communities. From involving members in projects as local as cleaning up an area park or as far-reaching as bringing sight to the world's blind, Lions clubs have always embraced those committed to building a brighter future for their community.

Today with more than 1.4 million Lions members in 190 countries and geographical areas, Lions have expanded their focus to help meet the ever-increasing needs of our global community.

Our programs are continually changing to meet new needs and greater demands, but our mission has never wavered:

"We Serve."

### Breakfast is served!

The Annandale Lions assists many charitable organizations with their fund-raising efforts by donating the use of our cook-trailer and pancake-flipping skills. The organizations keep all funds raised. These tasty breakfasts typically include pancakes, scrambled eggs, sausage, coffee, milk and juice. Join us for breakfast and help these organizations.

### Memorial Day Pancake Breakfast

Hosted by the Boy Scouts. 8:30-Noon Memorial Day morning in conjunction with the community parade and service. Held at the Pavilion in the City Park.

**Breakfast with Santa** hosted by the Annandale Lions Club for this great community. Generally held the Sunday before Christmas.

### Not just breakfast... Lunch too.
